Through the Director of Public Health, Madras.

Sir,

One of the sanitary inspectors of this Municipality has applied for 3 months leave. There is no qualified hand available on the spot to be appointed in his stead. I have therefore appointed one T. Madhava Naidu, who had served - - this Municipality as a sanitary inspector for more than ten years. Temporary exemption was granted to this man by the Director of Public Health in his letter No. 3634/2-E., dated 24/1/1929. He was also exempted by the Director of Public Health from educational qualifications to undergo sanitary inspectors' training course. In consideration of the fact that it is very difficult to secure the services of a - - qualified hand for such short vacancies and that no local man

qualified.

qualified, is available on the spot and as this individual has experience of the duties of a sanitary inspector and as his work was found satisfactory I do not think it desirable to go in for men who are not in touch with the language of the town from outside the district and pay them heavy travelling allowances for joining the appointment. My experience is that outsiders do not generally stick up to the posts. They will either accept the appointments as a stepping stone and leave them whenever they get other jobs. So far this particular case is taken into consideration, the labour and the expenditure involved in bringing a qualified hand for the post from outside the district who ~~do~~ does not know the languages of the town is not worth the object achieved. An action in the alternative therefore serves the purpose better for the time being.

I therefore request you to kindly accord temporary exemption for Mr. T. Madhava Naidu to hold the post of sanitary inspector during this leave arrangement which is purely a temporary measure.

The opinion of the Health Officer regarding this man is also sent herewith for favour of information.

Sir,

Forwarded.

2. Mr. T. Madhava Naidu, on whose behalf the exemption is applied for by the Chairman, Municipal Council, Bellary has been appointed as a Sanitary Inspector from 21st December 1929 in a 3 months' leave vacancy. The reasons advanced in support of appointing this unqualified hand, viz- the non-availability of qualified hands on the spot and the heavy expenditure that will have to be incurred in

bringing qualified hands from outside, are not convincing. As however, the acting incumbent will continue in service only for a month more, temporary exemption may be granted to him (Mr. T. Madhava Naidu) for 3 months from 21st December 1929. The Chairman, Municipal Council, Bellary may also be informed that no further exemption will be granted, and that in future only qualified hands should be appointed even in leave vacancies.
